ExplicitPublish

Feb 27, 2025, 1 min read

#plugin/filter

This plugin filters content based on an explicit `publish` flag in the frontmatter, allowing only content that is explicitly marked for publication to pass through. It's the opt-in version of **RemoveDrafts**. See **private pages** for more information.

> **Note**
>
> For information on how to add, remove or configure plugins, see the **Configuration** page.

This plugin has no configuration options.

API

- Category: Filter
- Function name: `Plugin.ExplicitPublish()`.
